

23 February 2010.

To whom it may concern.

Dear Sir/Madam,

This letter serves as a reference for Diesel Gen Technologies.

Meissner are a leading supplier of emergency back-up solutions to key blue-chip and corporate clients throughout Southern Africa and from time-to-time have relied on the resources of Diesel Gen Technologies to partner us in providing our customers with technically suitable solutions and the associated service back-up thereof.

Our experience in dealing with Diesel Gen Technologies is that they have always delivered a fine product and have always provided prompt and excellent after sales service as part of the deal.

It is for this specific reason that Diesel Gen Technologies is a preferred supplier of Diesel Generators to Meissner.

We trust that this meets with your expectations and assure you that we can be contacted to verify our endorsement of Diesel Gen Technologies.

Yours faithfully For MEISSNER POWER SYSTEMS
